

Day of Action on Social Protection

Hosted by

Gabriele Zimmer MEP

Committee on Development (GUE/NGL)

Wednesday 20th April 2011

12.30—14.30

Room PHS 1C 51,

European Parliament, Brussels

- **Social protection case studies**

Sharing experiences on social protection programmes in developing countries which have successfully reduced poverty and helped to drive inclusive growth.

- **European Report on Development 2010**

Considering the implications of the 2010 European Report on Development for the debate on the future of EU development cooperation.

Lunch provided | Event held in English

To register for an access badge by 11th April or for further information contact:

Ellen Graham | +32 2 280 0771 | egraham@helpage.org

Formed in 2007, the European Working Group on Social Protection and Decent Work in Development Cooperation, is made up of Civil Society Organisations - including HelpAge International, World Solidarity, Light for the World, Stop Aids Alliance and SOLIDAR - who want to see social protection given the prominence it deserves in EU aid policy and as part of the Decent Work Agenda.
